Subject: **Border Air Violation**

1. At 151845 November 2025, sentry at P217A Post observed Quadcopter moving along Pakistan-Iran Border, flying from the Iranian side towards the Pakistani side. The Quadcopter crossed Radiq village, located approximately 400 meters to the north and northeast of P217A Post at border, and continued its movement in a southeast direction. The Quadcopter appeared to be conducting a scan of the area. Iranian authorities at Radiq Crossing were contacted to confirm whether the Quadcopter belonged to them; however, no significant information was reported.
