Subject: **Invitation for the Prime Minister of Pakistan to attend the 31st Future of Asia Conference, 10-11 June 2026**

The President and CEO of Nikkei Inc., a media and publishing company, Mr. Tsuyoshi Hasebe, has extended an invitation to the Prime Minister of Pakistan, to attend the 31st Future of Asia Conference, to be held in Tokyo from 10-11 June 2026 (invitation attached).

2. Nikkei Inc. has been organizing the Future of Asia Conference on annual basis since 1995. In its reporting and framing of the context, Nikkei Asia sometimes seems to lean in favour of the Quad, particularly India. This is an international event where leading personalities from academia, politics, economy and media, from regional countries engage in intellectual discussions and present their respective ideas. The media interaction also takes place at the forum to present and advocate issues of international importance. This forum can be effectively utilized to portray our perspective and present our policy initiatives.

3. Historically, this event has been attended by former Ministers, CEOs, journalists, leading think-tanks, media personnel, bureaucracy and academia from regional countries of Asia Pacific. Only occasionally, a current office holder attends this event.

4. Keeping in view the academic and journalistic scope of the event and geo-strategic dynamics of the region, the Mission proposes that any head of Pakistan's think-tanks/institutes (e.g., Institute of Strategic Studies Islamabad or Institute of Regional Studies) or any other appropriate spokesperson of the government may be considered for attending this event.

With the aim of fostering peace, stability and sustainable development in the Asia-Pacific region, Nikkei has convened the Future of Asia (<https://nikkeiforum.com/foa25en/index>) forum annually since 1995. Future of Asia is a two-day event where political, business, and academic leaders gather to offer their opinions frankly and openly on regional and global issues, and the role of Asia in a turbulent world. Honored by the presence of countless distinguished speakers since its inauguration, it is considered to be one of the most influential international forums in Asia.

Today, with this letter, I would like to invite Your Excellency to the 31st Future of Asia which will be held on Wednesday, June 10, and Thursday, June 11, 2026, at the Imperial Hotel Tokyo. My invitation is for you to give a speech and interact with the moderator/audience on one of the two days, and also to join me at the Welcoming Dinner scheduled on the evening of June 10 where we expect the Japanese prime minister to deliver a key foreign policy message.

I can assure you that the forum, which will be covered extensively by Nikkei's Japanese and English media, will be a fitting platform for you to deliver your message not just to the people of Japan but also to people across the globe.
